

## DSA Chorus Booster Organization

The DSA Chorus Booster Organization was formed to support and assist the Choral Department of the Durham School of The Arts. We accomplish this by providing a formal structure for managing volunteer activities as well as the day-to-day details of running a very large (500+ students!) choral department so that the Directors can focus on teaching our students to sing and perform.

Our work is completely volunteer-based, and with the help of dedicated board and committee members, we provide a variety of assistance with administrative, financial, organizational, and fund-raising activities throughout the year.

The needs of our students and directors are continually evolving and we welcome additional volunteer help in any capacity. Please feel free to speak with any board or committee member to see what opportunities are currently available. You might consider joining one of several committees and lend your talents to enhance the musical experience of our students and help continue the tradition of choral excellence at DSA.

**Join us for our first General Meeting of the Year! Tuesday, September 9 @ 6:30pm in the DSA Main Cafeteria! Come and learn how you can help our DSA Chorus students this year!**
